Sponsorship Opportunities

Throughout the last century, the Wisconsin Funeral Directors Association Annual Convention has been recognized as the state's premier funeral service event. The convention brings together hundreds of funeral directors and suppliers each year.

WFDA is grateful for the support of the many companies marketing products and services to our members. The convention provides the ideal setting for funeral directors to learn about new products and services available.

To provide your company with more exposure, WFDA offers sponsorship opportunities at our Annual Convention. Money raised will underwrite the expenses for educational seminars, social events and other activities. Through your generosity, we will be able to make the convention bigger and better. **We are offering a new sponsorship for this year's convention – you could be the sponsor of A Night at Lambeau Field – on Monday, June 23rd there will be a reception in the Press Box and a tour of the Hall of Fame at historic Lambeau Field. For more information on this sponsorship opportunity, please contact us.**

Sponsors will be recognized on signs during the convention as well as in the program and the Spotlight Magazine.
